HARRISONBURG IS

Valley Town Wins Easily in Firemen's Contest, Held at Hampton.

OTHER RACES FOR TO-DAY

State Convention Will Close With Boat Trip on Hampton Roads.

[Special to The Times-Dispatch.] HAMPTON, VA., August 26.—Harrisonburg firemen carried off the honors in the big parade of the Virginia State Firemen's Association in Hampton this

in the big parade of the Virginia State Firemen's Association in Hampton this afternoon. The Vailey city laddies not only received the prize of \$100 for being the largest and best uniformed company in the parade, but also were given the prize of \$50 for having the best band in the line.

The Annex Hose Company, of Portsmouth, was awarded the second prize of \$50 for having a big company in the parade.

The Phoenix Hose Company Band, of Portsmouth, came in for second prize in the band contests, while Fort Monroe was in third place. The committee of judges announced that had not Phoebus been so close to Hampton that the first prize would have gone to that organization. Phoebus had nine-ty men in the parade.

More than 1,000 of the sturdy firefighters of the Old Dominion were here to take part in the annual parade, and it was said that the pageant was the largest in the history of the State association. To-morrow morning the reel and hose races will be run in King Street, and the convention festivities will close to-morrow night, with a steamer trip over the famous waters of Hampton Roads.

This afternoon Mrs. Katie Hough, of Herndon, received probably fatal injuries by falling from a trolley car in East Green Street. She suffered compound fracture of her right thigh and is seriously injured internally. Her son, Dr. John Hough, is a surgeon on one of the United States battleships.

Says He Has Perfect Airship.

[Special to The Times-Dispatch.]
DANVILLE, VA., August 26.—John
B. Wood, for many years a prominent
Danville capitalist, who now resides
on his farm, a few miles from the
city, has erected machine shops at his
place for the purpose of constructing
an airship, which he says will eclipse
any machine of its kind now in operation anywhere. While refusing to go
until the matter is finally settled by
appointment. any machine of its kind now in operation anywhere. While refusing to go into details relative to his plans, Mr. Wood states that his idea is entirely new, and that he will eliminate many of the complications encountered by other machines. His machine, he professes, will be so constructed that it will require no assistance to either start it off or to effect a landing. He as financing his own venture.

SITE DECLARED

Members of State Board of Charity Visit Location Near Lynchburg.

[Eprelal to The Times-Dispatch.]
LYNCHBURG, VA., August 26.—Dr. I.
G. H. Denny and Dr. S. C. Hatcher, of the State Board of Charity, to-day inspected the site purchased near here ix months ago for the State Epileptic Colony, and declared it to be an admirable one. The visit was for the purpose of learning the cause of the delay of the State Hospital Board in establishing the colony, and a report will be made to the Charity Board that steps be taken at once to require the work to go on.

It will be recalled that it has been said that the Hospital Board has intentionally delayed the work in order to try again to secure from the Legis-lature the right to establish the hos-pital in or near Staunton.

BUCCESSFUL REVIVAL

IS HELD AT BOYDTON

[Special to The Times-Dispatch.]

BOYDTON, VA., August 25.—The union revival services which commenced here Sunday have continued with unabated interest. The services are held in the Town Hall, which holds about 700 persons. Rev. G. B. Strickler, D. D., of the Union Theological Seminary, of Richmond, began the services on Sunday, and preached twice each day until yesterday, when he left for home. His sermons were clearly offer home. His sermons were clearly offer home. His sermons were clearly offer home approached his first service and the work in the Southern Presbyterian Church, reached here yesterday and preached his first sermon last night. He will have entire charge of the services. Already he has produced a most favorable impression, winning the hearts of the people by his earnest and eloquent presentation of the gospel. George A. Fisher and his wife, of Boston, Mass., who were with Dr. Thacker in the Chapman-Alexander meetings, are here in charge of the music. They have quickly gotten together a large chorus choir. The music by the choir and the solos by Mr. Fisher are quitted in a attractive feature. The people of Boydton and community are profoundly interested, and show their zeal by their attendance upon each service.

Successful Revival

Graffton Dillard (colored), aged about twenty-four, who as arrested here last night upon the charge of the only ameal at the University post-office, was taken this afternoon, to Staunton, and and Officers O. M. Wood and W. J. Davis, of the University post-office for some weeks past and suspicion pointed to the University post-office for some weeks past and suspicion pointed to the University post-office for some weeks past and suspicion, and about 5 o'clock it disappeared. An hour later the formation of the contents

Compromise in Sight.

[Special to The Times Dispatch.]

ALEXANDRIA, VA., August 26.—It now appears that an effort is being made by politicians to compromise on a candidate from the Eighth District as supervisor of the census from this district. It is believed that this is the only amicable manner in which the fight, now waxing warm, can be adjusted.

Robinson Is Held.

[Special to The Times-Dispatch.]
ALEXANDRIA, VA., August 26.—
Merchandles valued at between \$300 and \$400, supposed to have been stolen from a Southern Railway car in the northeastern section of the city, was recovered last night by the police, and Harvey Robinson, supposed to know something of the robbery, was arrested shortly thereafter. When the case was called in the Police Court this morning Robinson was remanded until August 30, when he will be given a preliminary hearing. In the meantime the police are making further investigation into the case,

Must Equip Engines With Electric Lights.

(Special to The Times-Dispatch.) RALEIGH, N. C., August 26 .- The RALEIGH, N. C., August 26.—The North Carolina Corporation Commission dismissed the petitions of the Atlantic Coast Line, Seaboard Air Line, Southern and Norfolk and Southern for various exceptions from the operation of the act of the last Legislature requiring electric power headlights on locomotives of both passenger and freight trains, the act requiring that one-fourth of the locomotives in use shall be equipped each year until air have these headlights.

The Norfolk and Southern and the Atlantic Coast Line contended that these power lights are neither necessary nor advisable on their roads in this State. The Seaboard Air Line asked exemption for a number of trains and certain lines. The Southern should be exempted until 1910 from buying additional electric headlights because more than 25 per cent. of its locomore.

om composition of the locomotives of both passenger and freight trains, the act requiring that one-fourth of the locomotives in use shall be equipped each year until all have these headlights.

The Norfolk and Southern and the Atlantic Coast Line contended that these power lights are neither necessary nor advisable on their roads in the state. The Seaboard AIr Line was and certain lines. The Southear or had the plea that while the act asked exemption for a number of trains and certain lines. The Southern had the plea that while the act was unnecessary, the Southern should be exempted until 1910 from buying additional electric headlights because more than 25 per cent. of its locomotives are afready equipped. As to this, however, the commission holds that the act requires 25 per cent. of those not equipped at the time the act passed. So the Southern must invest in more of these lights. be exempted until 1910 from buying additional electric headlights because more than 25 per cent. of 1ts locomotives are already equipped. As to this, however, the commission holds that the act requires 25 per cent. of those not equipped at the time the act passed. So the Southern must invest in more of these lights.

Walker was twice attacked in a lonel the first attack seemed to have par-tially revived and walked about in a dazed manner, apparently seeking help. His throat was twice cut, and death re-sulted from hemorrhage. Wise volun-tarily confessed that the second cut was inflicted by him, but that he was forced to do so by another negro who was really the principal in the crime, under threats of being himself killed. This statement was sworn to in court when the alleged principal was placed on trial and was acquitted after prov-ing an alibi. The jury did not believe the story and found Wise guilty of the crime.

the story and found Wise guilty of the crime.

Chesterfield Notes.

The officers, teachers and children of Wesley Methodist Episcopal Church Sunday school went out to Ellerslie, in Chesterfield county, this morning and enjoyed their annual piente.

The good people of the village of Swift Creek were given a scare a day or so ago by the report of a mad dog in their midst. Several dogs were bitten by the animal before it was killed. Yesterday, while some young ladies were taking a stroll from Swift Creek village up towards Brander's Bridge, they were attacked by a vicious dog belonging to a neighbor, and one of them, Miss katle Fox, was severely bitten in the calf of her leg. A piece of the flesh was torn out.
